To the People of Lee County and the surrounding areas:
We the members of the Sanford Lions Club wish to extend to you, your family, and your friends a most cordial invitation to attend and participate in the activities of the Lee County Agricultural Fair for 1970. We also wish to thank you for the excellent support we have received from you in the past.

The Lee County Fair is the oldest county fair in the state to be sponsored continuously by the same organization. The Sanford Lions Club is proud of this record but realizes this would not be possible without the participation of the citizens of this area.

The Sanford Lions Club is a non-profit organization. The funds derived from the fair have never gone to benefit any individual member of the Club but have been used in contributions to the blind, the needy, and the less fortunate. Glance at the opposite page and see the list of some of the activities made possible by your support and participation.

Each year the Lions Club makes an effort to improve the fairgrounds and program. We are especially proud of the new junior league ball field with lights completed on the fairgrounds this year.

Please examine the listings in this catalog and help us make the 1970 Lee County Fair the best ever.

This is the place to proudly display your products, arts, crafts, and skills. You will receive recognition and valuable premiums for your efforts. Plan now to enjoy the exhibits and entertainment.

Sincerely,

Elbert C. Price, President

Sanford Lions Club

Electric Farm Equipment PAYS FOR ITSELF

It's no secret that profitable farm operations today depend on modern electric power. Every day more and more farmers save time and energy with a flip of the switch. Reddy Kilowatt cuts costly manual labor and time consuming hours and invests them in producing! He's a helping hand...milking cows, grinding feed, pumping water—doing dozens of jobs quickly, efficiently and automatically.

See how Reddy can work for you...his wages are low and with his help, you'll lighten chores, improve production and boost profits.
